

As We Go From This Place

As we go from this place,
We take, your love and Your peace,
Hope and healing to all the world
The stories of all You have done

To the world, as one
Learn to love as Jesus loved
Welcome and care for, Your daughters and sons
all generations, all of the nations
Praise to the Holy One.

CHORUS

Take Jesus, outside these walls
Shine the light, down the darkest halls
Together with all the heavens and earth
Sing Your worship and praise,
And Lift up Your name

Life giving water to a thirsty world
Joy in the sorrow, and hope for tomorrow
We worship Your Holy Name.
We worship Your Holy Name.
